DEPARTMENT OF ENGINEERING EDUCATION
Anna University, Chennai – 25

College of Engineering Guindy (the Oldest Technical Institution in India, started by British in 1794) was first to introduce B.E. course in Electrical Engineering (1932). The Department of EEE has been a pioneer in the field of Electrical and Electronics Engineering with core Research and Development in Power Apparatus and Systems for many decades. The Department offers one UG programme in full time and one in part time (for practicing engineers), six PG programmes in full time and three in part time. Ph.D. research programme in full time and part time is offered in the various PG specializations of Electrical Engineering.

Anna University in collaboration with Ryerson University, Canada has established an Urban Energy Centre (AU-RU UEC) in December, 2011. AU-RU UEC mainly focuses its research on Power and Energy Management, Smart Grids, Energy Storage, Distributed Generation and Electric Vehicles. UEC’s collaboration with academics, industries and public sector units promotes a multidisciplinary approach that taps the boundless enthusiasm and skills of faculty and students of Anna University in India and Ryerson University in Canada. AU-RU UEC has started a unique Post Graduate Programme – Power Engineering and Management.
