ABOUT ANNA UNIVERSITY

Anna University was established on 4th September year 1978. It offers higher education in Engineering, Technology and Allied Sciences relevant to the current and projected needs of the society. Besides promoting research and disseminating knowledge gained there from, it fosters cooperation between the academic and industrial communities. The Anna University is a member of the Association of Indian Universities, the Association of Commonwealth Universities and Partner of UNESCO International Center for Engineering Education (UICEE).

ABOUT UNIVERSITY LIBRARY

University Library plays a vital role in augmenting the mission of the University in disseminating the flow of knowledge and by quenching the Knowledge thirst of the Library users by providing and promoting access to recorded knowledge. The University Library was started in the year 1978 which gradually gained autonomy from December 2000. The University Library is located in College of Engineering (CEG), School of Architecture and Planning (SAP) and Madras Institute of Technology (MIT) campuses in a sprawling green eco-friendly environment. The University Library subscribes to print and online journals, databases for the benefit of students, research scholars and faculty. The library e-resources can be accessed through https://www.annauniv.edu/Library/digi_ejournal.php. The various services of the library are automated through an Integrated Library Management System.

Anna University is one of the nodal centre in the Tamil Nadu Digital Library (TNDL) Project. It provides a single-window search facility to access the union catalogue, institutional repositories of 13 Universities in Tamil Nadu.
