

ABOUT THE INSTITUTE

Madras Institute of Technology is one of the premier technical institutions started in the year 1949 by Shri. C. Rajam, an eminent industrialist. The institute was the result of a bold experiment in technical education as it introduced for the first time, totally unconventional Engineering courses such as Aeronautical Engineering, Automobile Engineering, Electronics Engineering and Instrumentation Engineering. It was merged with Anna University in the year 1978.

ABOUT THE DEPARTMENT

The Department of Information Technology was instituted in the year 2001 with the objective of imparting knowledge in cutting-edge technologies in Information Technology and Computer Sciences. The department is currently headed by Dr. Dhananjay Kumar, an educator and researcher himself. In the footsteps of the former Heads, the incumbent Head is further taking the department to reach newer heights. The department has a team of dynamic, young and dedicated staff, with specialization in wide array of areas. It offers full time and part time courses for both UG and PG. The department receives funds from DST under FIST programme.

LOCATION

Madras Institute of Technology is located in Chrompet, Chennai, Tamil Nadu, India and the campus is very close to Chrompet railway station.
